

ABOUT THE DEE GROUP

Do you want a change? We are your change.

The Dee Group has been operating for more than 30 years in the field of exhibition stands, showrooms and private and public events.

All our projects are supervised by a highly specialized team that guarantees the realization of all requests and needs of our customers.

We offer new innovative solutions with materials suitable for every type of event, enhancing and emphasizing the importance of the location.

OUR TEAM

The Dee Group is a qualified team with different skills in the fields of architecture and design, production, technology and construction, which directs and implements projects with high precision and efficiency.

Our specialized technicians and assemblers take care of the installations of every single project and provide, if requested, assistance on site until the end of the event.

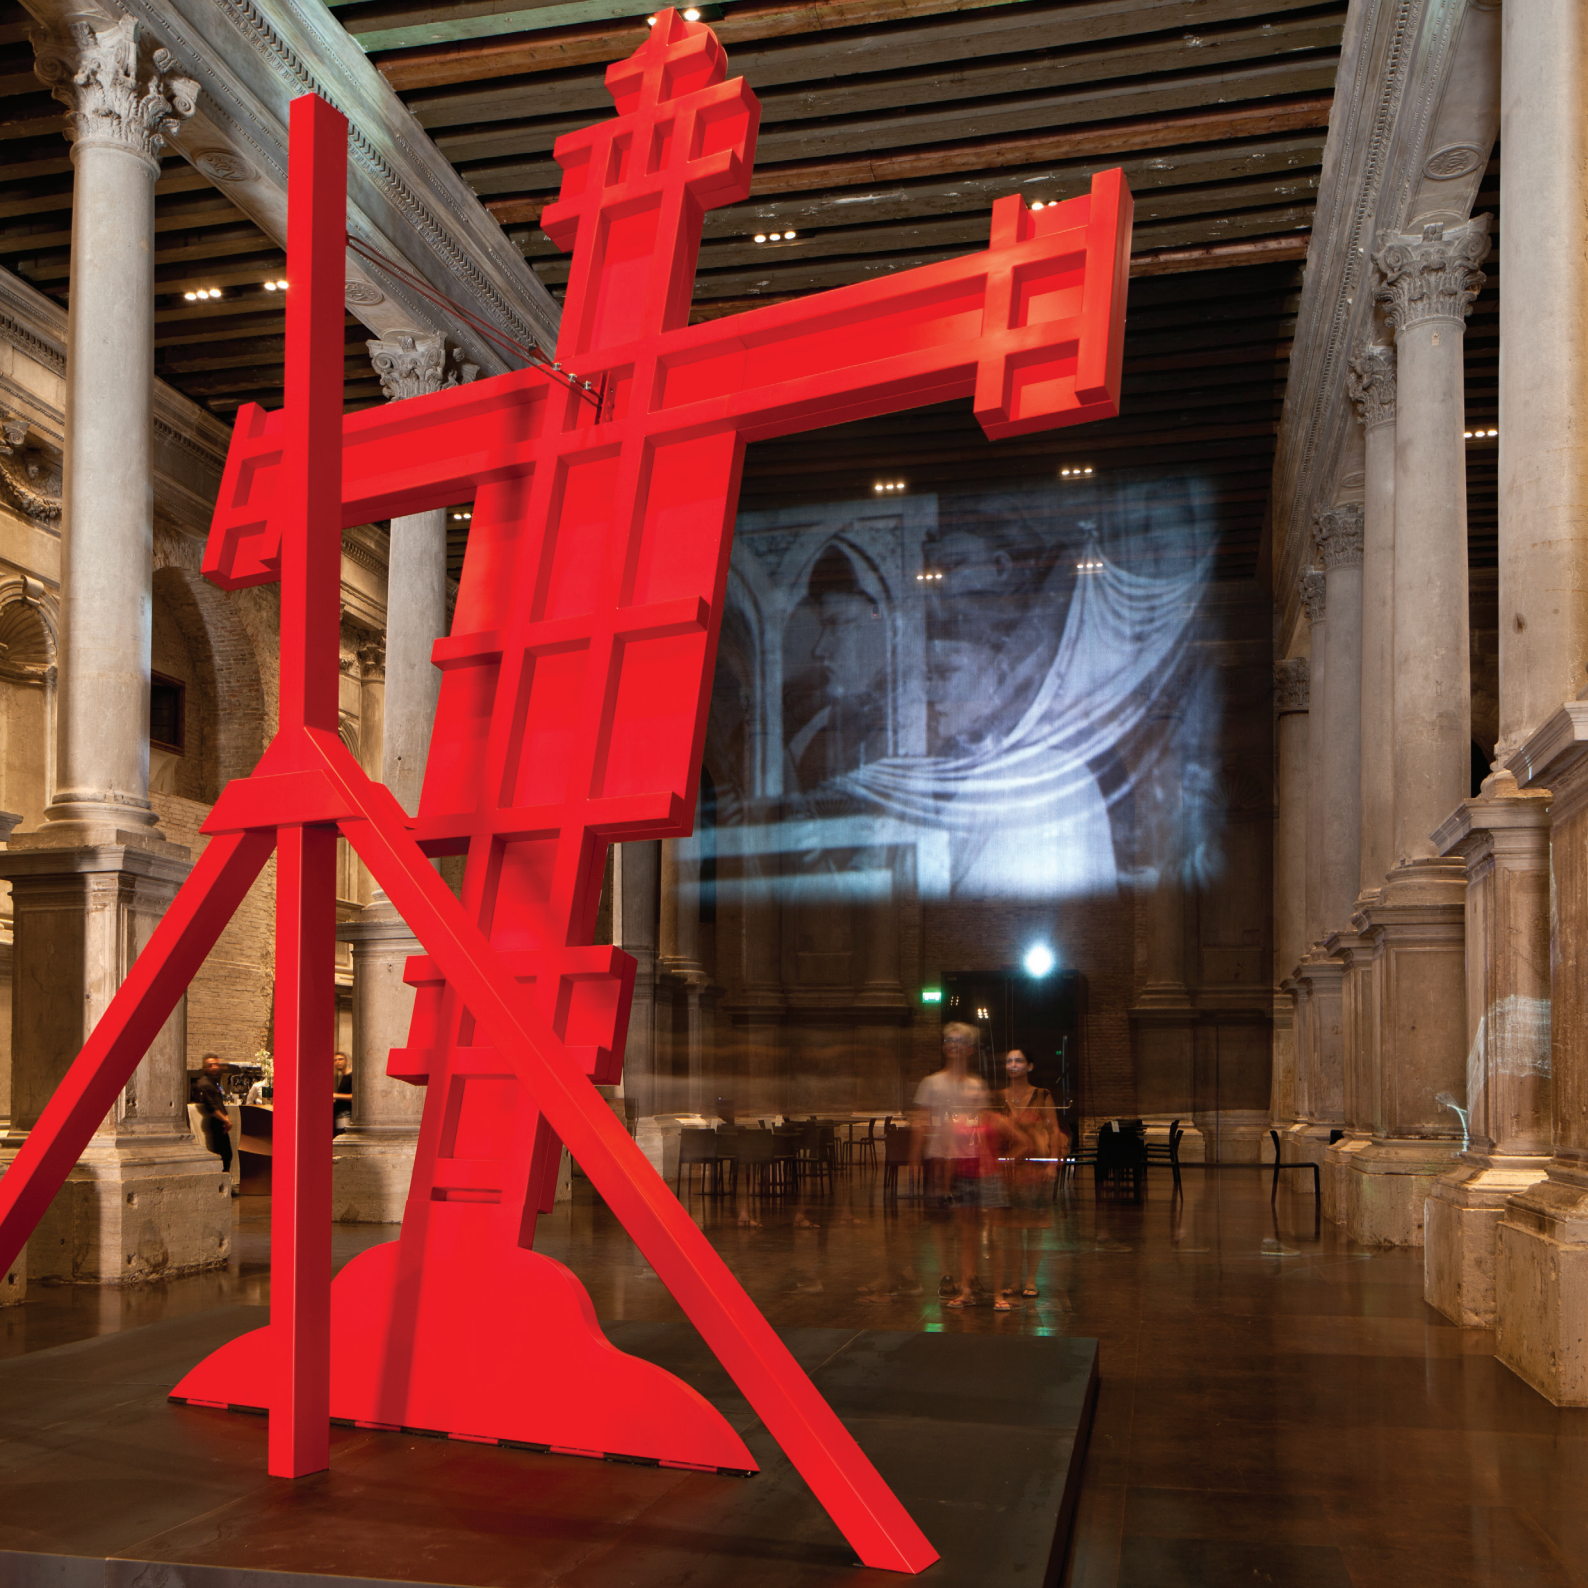

DEE GROUP IN ITALY AND ALL OVER EUROPE

We can provide our services and installations throughout Italy and Europe.

Our shipments and assemblies are carried out by professionals, who can also help the customer with on-site technical advice.

Our goal is to create the perfect event tailored to each customer.
